## ***Winston Dillard Food Pantry serving year round***

Did the COVID isolation find you in the kitchen snacking more? Has your winter coat shrunk and you are going to have to purchase a larger one? Well, send the old coat to the food pantry to keep someone else warm.

Looking on to December, volunteers have been knitting/crocheting stocking caps and scarves to keep the kids warm. We'll also have gloves/mittens and socks available late December for parents to give to their little ones for Christmas. Just give **Vonnie Wallace** a call at **445-2355**. She will see that items get to the pantry. Your donations are always appreciated.

## ***Superintendent's Message***

Dear Camas Valley,

Since we are one month into the school year, I wanted to share a few things and give you an update.

1. With all the issues involved around COVID, the students have done a great job of adjusting; as one student put it, "I just want to be around my friends and go to school."
2. We started our reading interventions in grades K-6. The program is designed to improve reading skills which will positively affect other academic areas.
3. The ag program is off to a great start. We are starting an FFA chapter; it will be great to see FFA jackets with Camas Valley on them. Be looking for ways to help out with purchasing jackets for the students and FFA fundraisers.
4. I want to give a shout-out to the staff; through all the stuff going on in the world, the staff has continued to focus on the students.
5. The kids are great! Last week I walked into most of the classrooms to visit. Every student was polite, respectful, and engaged in learning; what a blessing.
6. Thank you, parents, for giving us all the opportunity to teach your children and be part of their lives!
7. We have a lot of fall sports going on; check out the school website for schedules.\*

With care,  
Mr. Wonsley

\*Hard copy of the sports schedule is provided on pages 5 & 6.
